PRESENTS

ART UNIVERSE PARK

1 KM OF FUTURE × NORTH BUND

ART UNIVERSE is a venue that symbolizes the blend of modern art and technology. It is a display of the latest trends in technology, art, music and fashion in China and around the world.

The whole universe of **UNIQUE ART** and technology, encouraging the young local talents to emerge, evolve, experiment and excite the audience with the help of the new age **IMMERSIVE TECHNOLOGIES**.

In other words, **OUR GOALS** are:

- Educate audience about art and technology of the new age,
- Support and promote local artists and new designers,
- Promote aesthetics, art and techonogy
